Dear Parishioners and Guests of St. Joseph's,

Today we warmly wish to welcome **Bishop Peter Stasiuk** who will celebrate a Pontifical Liturgy today and preach the "Word of God". He apologizes that he could not be with us at the Saturday Liturgy, but he is committed to speak at St. Peter and Paul's at that time. Next year he celebrates his 20th Anniversary as the Bishop of Australia, etc.. We in advance sing *Mnohaya Lita* and God blessings!

Our Adult Religious Enrichment series has begun as of last Sunday. "The Jesus Life Style" is an excellent informative and challenging program and we encourage you to actively participate. This takes place at **10 am - 11 am** – Please be on time. Come and taste! God will truly bless you and yours!

The *Children's Catechism* classes run concurrently and yes, we need to see all the "little ones" enrolled and regularly attending. *Dear parents*, it is your personal commitment to raise your child in the Christian faith, teach them and show them how to live like Jesus – we truly want to help you on their spiritual journey. And yes, you are expected to bring the children with you to the Liturgy, either at 8:30 or 11:00 am. This children's program is so very important and so necessary – for all our parish children.

This Sunday we will be having a **Commissioning and Blessing of our Catechists** – these dedicated parents who offer to teach our children! What a blessing each of you are to the whole parish family! Also the children in **Grade 4** will receive their special individual **Bibles** and are encouraged to read them!

Being an active member of St. Joseph's means that we support the many programs that are organized by our various church organizations, be it – the UCWLC, the SENIOR'S CLUB, the KNIGHTS OF COLUMBUS, the MEN'S CLUB, the CHOIR, etc. In the coming weeks they have arranged special "Fund-raiser" events and we are encouraging you to support them by purchasing some tickets and planning to participate. These are also fun family-creating occasions and they help us to grow as a parish family – to know one another, enjoy each other and in the process, help the various causes.

The "Outreach" program, eg., sincerely asks you to bring canned goods or other non-perishable foods and place them in the box at the door of the church. This small active committee prepares food hampers for the poor, the homeless and the shut-ins. Please share of your blessings... and they will take care of the packing and delivering...

Did you know that our fellow **Redemptorists in Ukraine**, under the guidance of our Father Ihor Kolisnyk, are celebrating **100 years** of their spiritual missionary and pastoral work the week of Nov. 18 – 24th? Many of these Redemptorists immigrated to Canada in the early 20's and years after to dedicate their lives in serving us Ukrainian Canadians. For their lives and work, we are most grateful! Yes, I plan to return to Lviv, Ukraine for this occasion. My last journey there was 7 years ago – so it is about time!

Wishing you a wonderful, peaceful, joyful, loveful and even lukieful day, I give much thanks to God for each of you!

"Want to get married under a tree in the Park?"

Published in "Church and Life" - Bishop Peter Stasiuk CSsR

As fewer and fewer young people keep up with their faith, Jesus Christ and his Church are further away from their daily thinking. We live in a very secular world where spirituality has more to do with singing birds than anything Jesus said or did. The old traditions of our ancestors turn out to be just that. Something our grandparents did, but something which has little significance in "*my world*".

It was recently revealed that only **30%** of those who wish to marry actually choose marriage within the Catholic Church. The rest, as we used to say, "*just live in sin*", without any apparent need to walk down any church aisle to the altar of Christ. There are, thank God, the 30% who realize that marriage is a spiritual commitment between a man and a woman before Christ, who believe that it is God's plan that there should be a marriage and that the presence of God within the marriage is the best way to do the will of God, raise Christian children, live as a spiritual family which is the foundation of our society.

It is not the 30% I'm talking about here. It is the minority of the others who have little faith and the commitment needed to live the traditional Christian way. More often I, as the Bishop of the Ukrainian Catholic Church in Australia, am asked by couples to allow their priest to celebrate their wedding in the park, under a tree, in a marriage venue, or any place which is not a church or chapel.

Let's make it simple! **The Church does Christian weddings!** This means a wedding of a man and a woman before Jesus Christ. The priest is only the witness of this. Weddings in our church are always done before Christ's altar where the Holy Eucharist is present. Life is hard enough; the commitment of marriage is a sign of unity with God which leads to holiness and blessings.

Marriage is an act of faith: a faith which is nurtured and grows. Our Eparch, for many years now, requires prenuptial courses which help couples to grow in their love of God and themselves and thus form a Christian family.

Church laws have always said that marriage must be preferred in a church or chapel, a place where the community usually gathers. I have not till now, and will not in the future, allow any of our priests to perform marriages outside a church. Some couples are confused because some other churches do allow marriages outside of sacred places. That may be so - but our church does not have that practice! I do not think that, when it comes to God, we should be pushing to the outer edges any further.

St. Joseph's Church Choir Fundraiser

THE YEAR OF FAITH
"...They called the church together and reported what God had done with them and how he had opened the door of faith..." (Acts 14:27)
"The 'door of faith' is always open for us, ushering us into the life of communion with God and offering entry into his Church."
Pope Benedict XVI

Also, let us congratulate our **Grade 4 students**, who receive their **Holy Bibles** today!

Anton Krawec-Verma, Danika Burdeniuk, James Brennan

May God's inspiring and **LIVING WORD** always be a guide for you, so you may shine for others.

The Jesus Lifestyle

What's it about? Our culture is obsessed with lifestyle. Magazines and websites tell us what to wear, how to get fit, what to drive and how to love. Everyone wants to tell us how to live our lives. Jesus didn't leave us a lifestyle magazine; he sat down on a mountainside and began to teach.

How to deal with anger. How to handle money. What to do when faced with difficult people. Simple, memorable and profound. Jesus' words in the **Sermon on the Mount** are as relevant and as challenging today as they were 2,000 years ago.

In this engaging and fascinating study **Nicky Gumbel** takes a closer look at the Sermon on the Mount and presents, with his familiar mix of humour and wisdom the life that Jesus wants us to live.

Please join us in the church auditorium Sunday mornings 10:00 am sharp - 11:00 am for this interesting video series. No books! No Homework: Everyone is Welcome!

Week 2 - Oct 21 - "How to Change the World Around You"
