**Glory be to Jesus Christ! Glory be Forever!**  
The parish of St. Joseph extends a warm welcome to all our guests. We are pleased that you have come to pray with us. May the Lord bless you!

**СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКИ!**  
Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

**Dear Parishioners and Guests of St. Joseph's,**

Celebrations continue throughout the city – today, the 14<sup>th</sup>, our closest Ukrainian parish – *Blessed Virgin Mary* – is commemorating the 90<sup>th</sup> anniversary of serving our Ukrainian faithful in the 'north end' – which was once "Little Ukraine"! St. Nicholas celebrated 100 years in 2001 and St. Vlad's and Olga's in 2007. Do you realize there are 15 Ukrainian Catholic Churches in Winnipeg alone?

We happily have heard nothing but positive comments and words of praise regarding our 60<sup>th</sup> Anniversary celebration. To be honest, our 60<sup>th</sup> committee had no idea of how many would take the time to pray and rejoice in our St. Joseph's history. Yes, we too were more than pleased that the attendance even outnumbered our hopeful expectations! Thank you, thank you and especially "diakyu" to all the dedicated people who gave of their time and talent to organize everything so well. The "Wine & Pizza" Friday evening gathering was ever so wonderful as parishioners shared the joy of being a vital part of "St. Joseph's Family" and delightfully viewing all the wonderful pictorial history on the hall walls. And of course, the majestic pontifical celebration on Saturday could never be repeated. Happiness and warmth emanated throughout the evening as we feasted at our parish pig roast.

The Parish tried to budget for this 60<sup>th</sup> celebration, knowing we might have to dip into the parish funds and we did! The "good will" offerings on Friday were \$1055.00 and at the "pig roast feast" it was \$2165.00, totalling \$3220.00. Our expenses, in case you wished to know, were app. \$8800.00. On your behalf, the parish funded the \$5580.00 difference. If you wish to view the expense sheet, phone us.

**Bishop Peter Stasiuk CSsR of Australia** will be honoring St. Joseph's parish with his episcopal presence on Sunday, Oct. 21<sup>st</sup>. Peter and I were ordained here in 1967 and his attachment to St. Joe's is still very real. I discovered that a couple of years ago, Bishop Peter was the first Ukrainian ever to receive the "Order of Australia" medal! Congrats to our local Roblin and St. Vlad's boy of the 50's! Enclosed in this bulletin is an article he wrote for his version of "Progress", entitled "A New Secularism leading to a Neo-Paganism". Very interesting! Next week I will include another of his articles: "Want to get married under a tree in the park?" Also very challenging! Be sure to read both! Also welcome Bishop Peter warmly to St. Joe's!

Wishing all of you a warmer and more pleasant day "in the park"; I bless you and thank you for your faithfulness! So very pleased that you are all a vital part of St. Joe's family!

## A New Secularism Leading To Neo-Paganism

Published in "*Church & Life*" **Bishop Peter Stasiuk**

There are many signs in the community which are developing into disturbing trends. These signs are pointing to a very secular, and as a result, to a very godless society. The Australian Census clearly points to the fact that fewer and fewer of us actually believe in God. Amongst those who do, many are saying that God does not have much relevance in their lives and, as a result, fewer actually go to church, and simply remain as children of parents and grandparents who used to go to church. This, without reference, to their own faith or lack of it. As I often say, God does not have grandchildren. He only has children and it is these whom must be in a relationship with Him.

In the recent past, Catholics started to disagree with the churches teaching about abortion under the banner of social justice; it now seems that it is a matter of choice, especially a woman's choice because only she, and not God, has anything to say about the human life which she produces. Similarly, euthanasia has become a social justice issue, and it follows the logic of the abortion debate, they say we ourselves have the ultimate control of when and if we are to be born and when we will die. While this is blatantly false before God, more people follow the logic and thus form their own opinions.

The topic of the right of people of same sex to "*marry*" has become a social justice issue as well. The argument goes like this. All same sex orientated are people like the rest of us and therefore they have the right to marry. This, of course, ignores the teachings of God about the nature of marriage. What God says does not matter as long as they see that justice is being done.

The latest "*signs of the time*" reveal that fewer people are getting married in the church. Apparently only about 30% of those who can and should. I certainly agree with the recent words of a Melbourne priest who said that "*the Catholic Church does not recruit unbelievers to march then up the aisle*". In the Catholic Church all believers get married before the altar of Christ in the presence of Jesus in the Holy Eucharist. Marriage is a sacrament instituted by God and the church will always look at it in that way.

The "*dropping church attendance*" of our times is another sign that people simply do not believe. Some attend church only at times of the year which to them may have cultural significance. This also is troublesome because the younger generation will soon fail to see the purely cultural significance of church services.

These things all unfortunately add up to a rapid disintegration of our communities. The process is natural. If you make yourself the sole judge if what is right or wrong, or fair or not fair, then it must lead to the ultimate "*worship of oneself*" as a sort of god. In human history this was and is called "*paganism*".

There is no reason to give up all hope, while unbelievers increase, there are and always will be true believers. History tells us so. Christ Himself promised that the church would never cease to exist. God is with His people. This is a real challenge to all of us who believe.

We must rededicate ourselves to a new evangelization. The Catholic bishops of Australia (*actually all the Bishops of the world*) have declared a "*Year of Grace*". Our Ukrainian church has called for an eight year programme for the growth under the programme "*The Vibrant Parish: A place to encounter the living Christ*".

Let us continue to hope and pray. God is always with us!

## St. Joseph's Church Choir Fundraiser

## The Jesus Lifestyle

**What's it about?** Our culture is obsessed with lifestyle. Magazines and websites tell us what to wear, how to get fit, what to drive and how to love. Everyone wants to tell us how to live our lives. Jesus didn't leave us a lifestyle magazine. He sat down on a mountainside and began to teach.

How to deal with anger. How to handle money. What to do when faced with difficult people. Simple, memorable and profound. Jesus' words in the **Sermon on the Mount** are as relevant and as challenging today as they were 2,000 years ago.

In this engaging and fascinating study Nicky Gumbel takes a closer look at the Sermon on the Mount and presents, with his familiar mix of humour and wisdom, the life that Jesus wants us to live.

Please join us in the hall Sunday mornings 10:00 sharp - 11:00 am for this interesting video series. **No books! – No Homework!**  
For further info please call Sandy or Norm Dobson (204) 222 - 2098  
Sessions begin Sunday, October 14th 10:00am **Everyone Welcome!**

### Welcome to Out Reach Sunday

Although the Thanksgiving weekend was somewhat cooler than we have been use to, especially with the surprise of such an early snowfall, the actual day was lovely. A day we gave thanks for all our blessings.

A special thank you to all who contributed to the food bin and made monetary donations. These made preparing Thanksgiving hampers easier for our members. Twenty-one hampers were delivered to those less fortunate, and we are confident that they were very appreciative of these gifts of love.

Please remember to continue to bring food items for the food bin (in the vestibule) on Sundays or any other day that you might enter our church. Your monetary gifts help us to keep the pantry full, which at this time is rather bare.
