Glory be to Jesus Christ! Glory be Forever!

СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКИ!

Dear Beloved of St. Joseph's,

One day, a blind man was sitting on a sidewalk of a busy street and many people walked past him. There was a sign next to him that said: "I am blind. Please help!" And some stopped to throw a coin into a metal cup, but most did not. Most people, absorbed in their own problems and in their own lives, simply walked by.

From the Pastor's Desk

But there was a young woman who saw the sign and decided to change it. She knelt next to the blind man, turned the large cardboard to the flip side and wrote: "It's a beautiful day and I can't see it." It was the same message and yet worded differently and, all of a sudden, people stopped and noticed and generously gave.

There was something in this choice of words that made people react differently and this is something that happens in our lives all the time. Most of the time we use words automatically, without thinking, and we treat words lightly. If we were to realize how important words are in our lives, we would be far more careful in how we use them.

It is now Great Lent and I see that many of you are approaching Lent seriously, each preparing for it according to his or her own conscience. And I think that this is a good time to share with you a brief lesson that someone recently reminded me of. It is just a few mere words and yet they say so very much.

"It's not what you put into your mouth that is most important, but what comes out of your mouth that matters!" Think about it! Yes, we should fast from various foods, but we could fast to the point of starving and yet if we allow our words to be hurtful and unkind, no amount of fasting will make us good Christians. Words have remarkable strength and can have a profound effect on the people that they touch. Words can bring laughter and joy and they can bring comfort and solace; but they can also bring pain and grief and sorrow. Ask yourself - do you encourage or do you discourage? Are you building up your spouse, child, friend with words of understanding, praise and encouragement? Do you use words to motivate and defend? Or are you tearing everyone down by being critical, judgmental and bitter and are you perhaps destroying people through gossip? And ask yourself how much time do you waste on complaining. STOP and THINK! How are you using your words and why? Don't allow yourself to use words simply out of habit. STOP and THINK! And change your words or your words will change you... and they will change the world around you!

In Ephesians 4:29 we read: "Let no unwholesome word proceed from your mouth, but only such a word as is good for edification according to the need of the moment, so that it will give grace to those who hear" And the Proverbs also teach us moderation of the tongue: "Whoever keeps his mouth and his tongue, keeps himself out of trouble." (21:23) "A gentle tongue is a tree of life, but perverseness in it, breaks the spirit." (15:4)

May God enable us to use our words as an instrument of His love. In B

Let us always choose our words with love.

### A spiritual check-up for 2013 to consider:

I went to the Lord's Clinic to have my routine check-up and I confirmed I was *ill*.  
When Jesus took my blood pressure, He saw I was low in *tenderness*.  
When He read my temperature the thermometer registered 40° of *anxiety*.  
He ran an electrocardiogram and found that I needed several "*love bypasses*" since my arteries were blocked with *loneliness* and could not provide for an empty heart.  
I went to orthopaedics because I could not walk by my brother's side and I could not hug my friends, since I had fractured myself when tripping with *envy*.  
He also found I was short-sighted, since I could not see beyond the *shortcomings* of my brothers and sisters.  
When I complained about *deafness*, the diagnostic was that I had stopped listening to Jesus' voice talking to me on a daily basis.  
For all of that, Jesus gave me a free consultation thanks to his mercifulness, so my pledge is to, once I leave this clinic, only take the natural remedies

He prescribed through his words of truth:

Every morning, take a full glass of **gratitude**.  
When getting to work, take one spoon of **peace**.  
Every hour, take one pill of **patience**, one cup of brotherhood and one glass of **humility**.  
When getting home, take one dose of **Love**.  
When getting to bed, take two caplets of **clear conscience**.

Do not give in into sadness or desperation for what you are going through today. God knows how you feel...God knows exactly and with perfection what is being allowed to happen to you in your life at this precise moment. God's purpose for you is simply perfect. He wants to show you things that only you can understand by living what you are living, and by being in the place you are now.

May God give you...

For every storm, a rainbow,  
For every tear, a smile,  
For every care, a promise,  
And a blessing in each trial.  
For every problem life sends,  
A faithful friend to share,  
For every sigh, a sweet song,  
And an answer for each prayer.

### Archeparchial Faith Development session: "Personal Prayer Life: My Moment to Pray "

*"In the morning, long before dawn, he (Jesus) got up...and went off to a lonely place and prayed there." (Mk. 1:35)*

"Just as Jesus was drawn to pray to His Father, God has something to say directly to each of us as well. Prayer is a means of conversing with God Who invites us to an intimate, growing relationship with Him. It is the Father Himself who draws us to His Son Jesus. When we enter *personal prayer*, we give Him total access to our life, and when God speaks, nothing remains the same.

The deeper the relationship, the greater the desire is to spend time alone with Jesus, because we have encountered the One Who seeks us, and in Whom we can rest.

Firstly, we will glance over what critics say about prayer. After that, we will outline the benefits of a personal prayer life, how to develop it, as well as review different approaches, methods and style of prayer. Some time will be spent on the practical experience of *personal prayer*, as well.
