**Glory be to Jesus Christ! Glory be Forever!**  
The parish of St. Joseph extends a warm welcome to all our guests. We are pleased that you have come to pray with us. May the Lord bless you!

**СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКИ!**  
Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

Dear Beloved Parishioners and Guests,

I did mention that I would be sharing special 'tid-bits' or gems during the summer months in the Pastor's slot... enjoy them and of course, I will be testing you at the end of the summer to see if you have read them... often I have no idea who wrote these gems and so I can be accused of 'plagiarism' – may the good Lord forgive me!

From the  
Pastor's  
Desk

**TEN COMMANDMENTS OF HUMAN RELATIONS**

- I. **SPEAK TO PEOPLE.** There is nothing so nice as a cheerful word or greeting.
- II. **SMILE AT PEOPLE.** It takes 72 muscles to frown and only 14 to smile.
- III. **CALL PEOPLE BY NAME.** The sweetest music to anyone's ears is the sound of his/her own name.
- IV. **BE FRIENDLY AND HELPFUL.** If you would have friends, be a friend.
- V. **BE CORDIAL.** Speak and act as if everything you do is a genuine pleasure.
- VI. **BE GENUINELY INTERESTED IN PEOPLE.** You can like everybody if you try.
- VII. **BE GENEROUS WITH PRAISE – CAUTIOUS WITH CRITICISM.**
- VIII. **BE CONSIDERATE WITH THE FEELINGS OF OTHERS.**
- IX. **BE ALERT TO GIVE SERVICE.** What counts most in life is what we do for others.
- X. **ADD TO THIS A GOOD SENSE OF HUMOUR, A BIG DOSE OF PATIENCE AND A DASH OF HUMILITY** – and you will be rewarded many fold.

Perhaps the above Commandments could be summed up in the following verse:

*“Is anybody happier because you passed their way?  
Does anyone remember that you spoke to them today?  
The day is almost over and its toiling time is through.  
Is there anyone to utter now a grateful word of you?  
As you take a glance over the day that's slipping fast,  
did you help a single person of the many that you passed?  
Is a single heart rejoicing over what you did or said?  
Does the one whose hopes were fading now with courage look ahead?  
Did you win the day or lose it?  
Was it well or sorely spent?  
Did you leave a trail of kindness or a scar of discontent?  
As you close your eyes in slumber, do you thank that God will say,  
“You have earned one more tomorrow by the good you did today?”*

Wishing all of you a wonderful restful and enjoyable summer!  
Keep the good Lord with you everywhere & forever!

**THE PARADOXES OF TODAY'S AGE**

In today's day and age much too often we see that there are taller buildings... *but* shorter tempers; wider freeways ... *but* narrower viewpoints; we have bigger houses... *but* smaller families; we often spend more... *but* enjoy it less; we have more conveniences *but* less time.

How often we see that we have multiplied our possessions...*but* reduced our values; we add years to our life... *but* not life to our years; we have learned to make a living... *but* don't know how to live; we have been all the way to the moon and back... *but* have difficulty crossing the street to help our neighbours; we have cleaned the air... *but* have polluted the soul; we have split the atom... *but* not our prejudice; we have higher incomes... *but* lower morals. Much too often we rejoice at world peace... *but* take part in domestic warfares.

Let's work at destroying these paradoxes of life! Let's live in harmony applying our attention, time and energy to that which is truly important in life!

**ПАРАДОХ НАШОГО ВІКУ**

У сьогоднішніх часах зачасто бачимо високі будинки... але низьку терпеливість; бачимо широкі дороги... але вузький світогляд; маємо більші хати... але менші родини; більше купуємо... але менше доцінюємо то, що маємо; маємо більше вигод... але менше часу. Як часто буває, що ми помножили свої власності... але зменшили свої засади; ми додаємо роки до свого життя ... але не життя до наших років; ми навчилися заробляти на життя... але не вміємо жити; ми заїхали на Місяць і назад... але нам тяжко зайти до сусідів, щоб їм допомогти; ми вичистили повітря... але занежили свою душу; ми розбили атом... але не вміємо розбити своїх пересудів; ми маємо вищі платні... але нижчі моральні засади. Зачасто люди радіють миром в світі... але бракує їм гаразду по родинях.

Попрацюймо над тим, щоб ці парадокси життя знищити. Жиймо в злагоді, присвячуючи увагу, час та енергію тому, що дійсно важливе в житті!
