**СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКИ!**

Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

**Dear Beloved Parishioners and Guests,**

May we warmly welcome our Redemptorist missionary **Fr. Jack Kingsbury CSsR** who will be praying with us and sharing the **'Word of God'** for the next 4 evenings at **7 pm** Sunday to Wednes. We strongly encourage you to participate in all 4 evenings if at all possible... you will not be disappointing! God will truly bless you!

On March 5<sup>th</sup> our Pope Francis shared some wonderful thoughts entitled **"Sterile priests do not help the Church"**. These insights could verily be applied to all of us priests as we try to minister and preach to our parishioners. Let me quote his words:

"Jesus walked through towns and villages, feeling compassion for those he encountered; people who were *"tired and worn out, like sheep without a shepherd"*. "We are here to listen to the voice of the Spirit that speaks to everyone in the Church in this, our time, which is indeed the **time of mercy**".

"It is up to us, as ministers of the Church, to keep this message alive. The Pope asked, **"What does it mean to be a priest?"**. He explained that *"priests are moved by their sheep, like Jesus when he saw the people, tired and exhausted, like sheep without a shepherd"*. He commented that the priest, following the example of the Good Shepherd, is a **man of mercy and compassion**, close to his people and the servant of all. The Holy Father added that the **heart of a priest** must be susceptible to being moved, as **"sterile priests do not help the Church. ... We can think of today's Church as a kind of 'field hospital', where we need to tend to injuries. ... There are many people who are wounded by material problems, by scandals, even in the Church. ... People wounded by the illusions of the world. ... We priests must be there, close to these people. Mercy means, above all, taking care of wounds. Do you know what your parishioners' wounds are? Are you close to them?"**

"*Mercy accompanies the path of holiness, and helps growth. But how? Through pastoral suffering, which is a form of mercy. It means suffering with the people, like a father and a mother suffer for their children.... The Pope then shared some questions that helped him when a priest comes to him for advice. "Do you cry? How many of us cry when faced with the suffering of a child, the destruction of a family, before the many people who cannot find their path. As a priest, do you cry for your people? We will be judged for how we have been able to be close to 'every flesh', to our neighbours, to the flesh of our sisters and brothers."*

May we wish all of you a Happy Lenten preparation for joyful Easter!

## GREAT LENT COLLECTION FOR THE NEEDS OF CHURCH IN UKRAINE

*Dearly Beloved in Christ,*

*"Consider this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully, will also reap bountifully." [2 Cor. 9:6]*

These words of St. Paul to the community in Corinth were a call to the early Christians to consider how they had been blessed by the Lord in their lives, while others were not so fortunate. At the time of St. Paul Corinth was a long journey from Jerusalem and it was easy to ignore the needs of the far off community in Jerusalem. Thus he encourages the Corinthians to contribute to the needs of the faithful in Jerusalem, during the latter's time of need.

Every year during the time of Great Lent we call upon the faithful of the Archeparchy of Winnipeg to undertake a collection for the needs of the Church in Ukraine. Our call this year takes on added significance as we witness the trauma that our brothers and sisters continue to endure in our ancestral homeland.

In a telephone conversation I had in February with His Beatitude Patriarch Sviatoslav he spoke of the presence of our bishops and clergy with the people in the Kyiv Maidan, where they prayed with and offered spiritual support to all protestors, regardless of faith. They assisted with the wounded, opening the churches and monasteries in and around Kyiv as places of treatment and respite. This included opening the newly built patriarchal cathedral sobor, which although still unfinished, provided lodging for the weary, medical services for the wounded, and a soup kitchen for the hungry. And both on the streets and in the churches and buildings, prayers were offered for the dead and comfort given to those who mourned their loss.

During the time of Great Lent we are called upon to become more fervent in our prayer life, to fast in solidarity with those who lack basic food and water, and to do good works of charity for those in need. This year let us make a special effort to offer financial support for the needs of our Church in Ukraine as she provides all that she has for the needs of the people of Ukraine.

I ask that collections be made during Great Lent in all our Archeparchy parishes under the title: "The Needs of the Church in Ukraine." Parishes are asked to provide income tax receipts and to forward one final amount to the Archeparchy Chancery office. These funds will be sent to the Ottawa offices of CNEWA (The Catholic Near East Welfare Association), which is a registered charity with Revenue Canada and the Vatican, and which has direct contact with the Ukrainian Greek Catholic Church offices in Ukraine. CNEWA will also be undertaking a collection for the Church in Ukraine with its regular donors across Canada during Holy Week.

As you offer your contribution to the needs of the Church in Ukraine offer as well the following prayer: *Again, we pray for the people of Ukraine, that, with the help of the Holy Spirit, they may obtain social peace, political harmony and economic stability: Lord, hear us and have mercy.*

*Sincerely in Christ, Most Rev. Lawrence Huculak OSBM Metropolitan*
