Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

**Dear Beloved of St. Joseph's,**

Those who took time to read the pastor's message on May 4<sup>th</sup> would have realized that I was slipping away for a personal spiritual Retreat – a time for reflection, revitalization and rejuvenation. Our RC Redemptorists have a most peaceful spiritual Renewal Center on West End, NJ where they have conducted Retreats for over 100 years – from 1903! Thousands of priests, nuns and lay people have sought spiritual renewal during this time frame and have returned to their ministry with greater devotion and determination to serve the Lord more generously!

I was so blessed to participate in a retreat with some 35 diocesan priests from NY to Washington. They all gathered to share their lives and their pastoral ministry with one another. What a motley group of men we were – some skinny, some fat, some bald and some hairy (*i guess i had the most hair!*) some looked like truckers, loggers, some even like athletes or actors, but what united us all was the fact that we all had chosen to follow God's invitation to serve our lives as priests, hopefully, sharing the **"Good News"** that Jesus, the Son of God, came on earth to share His life, His love and to die for us that we may believe in Him. I found them most inspiring and challenging! Refreshed, renewed, they were returning to their parishes and their personal ministries with a fond wish to give of themselves more freely and lovingly! May I be as generous as they... pray for me!

During my 70 minute break between flights in TO, I hired a taxi to visit a warm wonderful friend Carol with whom I have been in phone contact weekly for the past few months. Carol is living (*actually dying with cancer*) and she is struggling to understand why. As I held her thin diminishing body, she painfully but positively struggled to share her inner thoughts and feelings as she prepares to meet her loving Maker in a matter of weeks. Words she expressed were most inspiring: *"Cancer is so limited. It cannot cripple love. It cannot shatter hope. It cannot corrode faith. It cannot destroy peace. It cannot kill friendship. It cannot suppress memories. It cannot silence courage. It cannot invade the soul. It cannot steal eternal life. It cannot conquer the spirit."*

I came to strengthen and support Carol in her final moments but left her tender presence, realizing it was she who strenghtened me! May God grant her eternal peace!

A strong faith in God and His loving presence can support each of us, as we struggle in life to bravely face our trials and tribulations! Jesus promised to *"always be with us!"* May our budding faith and trust give us the strenghten and the determination to use our talents and gifts to leave this world a more blessed and loving place!

May this weekend (*please!*) be the beginning of Spring and that we will finally be blessed with warm weather! My garden is waiting!!!

## LET US PRAY THE ROSARY

The Rosary is the most popular devotion to the Mother of God in the Catholic Church. After the Divine Liturgy and Divine Office, it is the most effective and powerful prayer. Its simplicity, beauty and power has been praised for centuries by saints, popes, and masters of spiritual life. It is the staple prayer or daily bread of devotion for Catholics of all walks of life.

Sometimes it is referred to as Our Lady's Psalter because it is patterned after the 150 Psalms which pious Christians used to recite by sections, each consisting of fifty psalms. While reciting these psalms, they meditated on the most important events of life of Jesus and His Mother. Since only a few people knew how to read in the olden days, the Church introduced the custom of substituting the 150 Psalms with 150 "Hail Mary" and divided them into decades. Each decade began by "Our Father" and ended by "Glory be to the Father...."

After Vatican II there were some who considered the rosary to be an outdated form of prayer and thus they stopped reciting it. Some discarded it because it seemed too monotonous, and repetitious for them. Others did not fully understand or misinterpreted the Council's decree on "The Role of the Blessed Virgin Mary" and said that the Council urged us to abolish also sentimental devotions, including the rosary, and seek out new forms of devotion which would be more relevant and meaningful to our times.

However, the Council strongly recommended a sincere devotion to the Mother of God. "This holy Council...admonishes all the children of the Church that the cult (devotion), especially the liturgical cult of the Blessed Virgin be generously fostered...It charges that practices and exercises of devotion toward her be treasured, as commended by the teaching authority of the centuries."

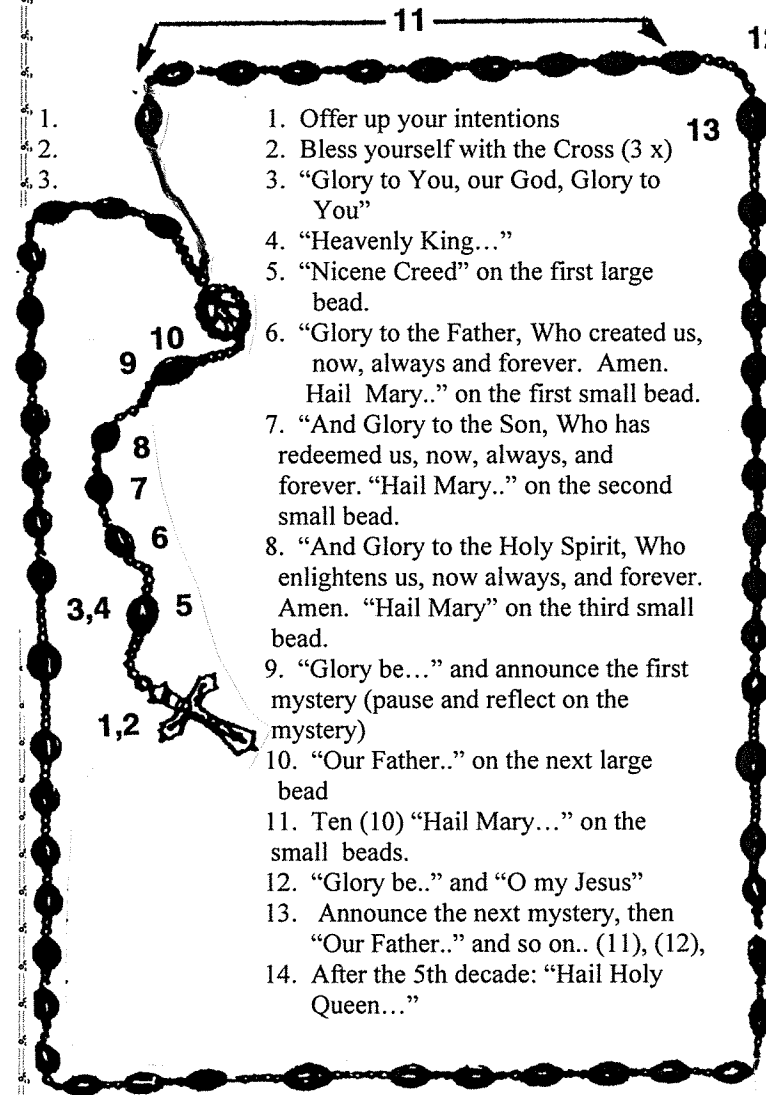

There are certain rules or guidelines that must be followed by everyone who wishes to say the rosary properly and reap spiritual benefits from it. (1) It must be said slowly, thoughtfully and reverently. Never rush when saying your prayers. (2) It is a meditative prayer where one recalls or imagines the Joyful, Sorrowful, Glorious and Luminous Mysteries of Christ's Life and His Mother's. (3) When reciting the rosary we must be aware of the presence of God and the Blessed Virgin Mary.

Pray the Rosary Daily with your Family and Pray as a Parish Family every  
**Wednesday at 6:30 pm before Devotions to Blessed Bishop Martyr Vasyi Velychkovsky (7pm)**

**The Hail, Holy Queen:** Hail, holy Queen, Mother of Mercy! our life, our sweetness, and our hope! To you we cry, poor banished children of Eve; to you we send up our sighs, mourning and weeping in this valley, of tears. Turn, then, most gracious Advocate, your eyes of mercy toward us, and after this our exile, show unto us the blessed fruit of your womb, Jesus; O clement, O loving, O sweet Virgin Mary.

Pray for us, O Holy Mother of God that we may be made worthy of the promises of Christ!
