**Glory be to Jesus Christ! Glory be Forever!**

The parish of St. Joseph extends a warm welcome to all our guests. We are pleased that you have come to pray with us. May the Lord bless you!

**СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКИ!**

Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

**Dear Beloved of St. Joseph's and all guests,**

Were you able to obtain a copy of the *Mission Days Guidebook* that we were promoting last Sunday? This is a chance to celebrate a personal mission in the privacy of your home! I truly hope that some of you are immersed in this **Ten Day Mission** by using the booklet as a "Guideline"... you will definitely be blessed and so will the parish...

All of us take great interest and express much admiration for people who make a positive difference in the lives of those around them. They may be religious leaders like St. Teresa, St. John Paul II, St. John the 23<sup>rd</sup>, or even our present Pope Francis who provide inspiring and challenging leadership in a troubled world. We may reflect on recent history and think of Mahatma Gandhi, Martin Luther King, Jean Vanier, Nelson Mandela or even the little Pakistan Manala and give thanks to God for the vast changes they have effected.

In the past few days, much has been written about **Maya Angelou** (86), a black American author, poet, civil rights leader who overcame her struggles with poverty and racial hatred and became a best seller with her six autobiographies, numerous essays and poems. Her most famous book *I Know why the Caged Bird Sings* has touched the lives of millions, but most of all her wonderful wise insights into *life and living to the fullest*. May I share some of these **quotes** which are thought-provoking & challenging:

- "If you don't like something, change it. If you can't change it, change your attitude!"
- "If you have only one smile in you, give it to people you love!"
- "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel!"
- "Nothing will work unless you do!"
- "History, despite its wrenching pain, cannot be un-lived, but if faced with courage, need not be lived again!"
- "My mission in life is not merely to survive, but to thrive; and to do so with some passion, some compassion, some humor and some style!"
- "Try to be a rainbow in someone's cloud!"
- "We may encounter many defeats, but we must not be defeated!"
- "Love recognizes no barriers. It jumps hurdles, leaps fences, penetrates walls to arrive at its destination full of hope!"
- "It's one of the greatest gifts you can give yourself, to forgive. Forgive everybody!"
- "I know for sure that love saves me and that it is here to save us all!"
- "I have found that among its other benefits, giving liberates the soul of the giver!"

Wow! Welcome to June and God willing, warm wonderful weather!  
Be sure to check the bulletin to stay current! Bless you and God bless all!

## НАСТАВЛЕННЯ

Чим довше я жию тим більше я бачу як дуже наставлення впливає на людини життя. Наставлення є важніше за факти. Воно є важніше за минуле, за освіту, за гроші, за обставини, за невдачі, за успіхи та важніше за то, що другі люди думають, кажуть чи роблять!

Наставлення є важніше за зовнішній вигляд, за обдарування і за спритність. Воно може розбити або збудувати підприємство... церкву... дім...

Чудове є то, що ми можемо собі вибрати яке ми хочемо наставлення мати. Ми не можемо змінити минулого. Одиноке над чим ми маємо контролю то є над наставленням!

Життя складається з 10% того, що мені стається, а 90% з того як я на це реагую. І так є зі всіма людьми. Наставлення є під нашим власним зарядом!!!

## ATTITUDE

The longer I live the more I realize the impact of attitude on our lives. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than success, than what other people think or say or do.

It is more important than appearance, giftedness or skill. It will make or break a company... a church... a home...

The remarkable thing is we have a choice every day. We cannot change the past. We cannot change the inevitable. The only thing we can do is to play on the one string we have, and that is our attitude.

I am convinced that life is 10% what happens to us and 90% how we react to it. We are in charge of our attitudes.
