СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКИ!
 Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

Glory be to Jesus Christ! Glory be Forever!
 The parish of St. Joseph extends a warm welcome to all our guests. We are pleased that you have come to pray with us. May the Lord bless you!

Dear Beloved Parishioners and Guests,

I was searching the internet re: Father's Day and was shocked to discovered a message I had written in 1993 for my Toronto bulletin that was posted for 1000's to read...may I share this with you for it still applies very much to this day:

My five sisters and five brothers and I were among the most fortunate children to have a loving 'tato' who generously hugged, patiently listened, wisely taught and quickly forgave with an emotional intensity that still nourishes our lives today. Tato unexpectedly died in 1966 at the age of 60, the year before I was ordained a priest. As the parish 'diak'-cantor, he sincerely had hoped some day to celebrate the Divine Liturgy with his son, the priest. Forty seven years later, a day doesn't go by when this priest doesn't think of him or feel his loving presence and I pray daily for him!

I truly believe we were especially fortunate and most blessed because I sadly remember other friends, not feeling quite the same way about their fathers. I am, however, hopeful for today's children because there are many positive signs that certain changes in the role of the father contribute to healthier and happier generations to come.

An interesting article I recently read reveals that **90%** of fathers say they share in child care, help feed the baby and take a turn at the changing table. Most expectant fathers are, nervously but happily, present in delivery rooms and **75%** of fathers say they spend more quality time with their children than their fathers spent with them.

One middle-aged Executive shared: *"My personal goal, when I'm in my senior years, is to look back and say to myself that I took every opportunity to spend time with my children and with my wife."* His perspective is extremely vital for all fathers and their children. Several recent studies demonstrate that **warmth** and **attention from their dads** produced mature, self-reliant girls and confident, generous boys. This is no real surprise to those of us who were strongly supported and lovingly cared for by our fathers.

Dads, no less than moms, owe it to their children to warmly embrace, to generously love, to frequently be there for them and they also owe it to themselves as well. Today would be the perfect day for parents and youngsters to **"catch up"** on a little hugging and some deeply felt **"I love you's"**. At least, I think so and my tato would have too!

On this **Father's Day**, as a parish '**father**', I extend my heartfelt and warmest greetings to all the '**FATHERS**' (and of course, **GRANDFATHERS** too!) and pray that God the Father blesses each and everyone one of you!

PS Please take God with you wherever you journey this summer and please continue to support St. Joseph's family spiritually, physically and financially! **God loves to travel with you!**

THANKS A MILLION, DAD!

HAPPY FATHER'S DAY!

Fathers are wonderful people, too little understood.
And we do not sing their praises as often as we should.
For, somehow, FATHER seems to be the man who pays the bills,
While mother binds up little hurts and nurses all our ills,
And FATHER struggles daily to live up to "his image"
As protector and provider and 'hero of the scrimmage'.
And perhaps that is the reason we sometimes get the notion
That FATHERS are not subject to the thing we call 'emotion'.
But if you look inside DAD'S heart, where no one else can see,
You'll find he's sentimental, and as "soft" as he can be.
But he's so busy every day in the grueling race of life,
He leaves the sentimental stuff to his partner and his wife.
But FATHERS are just wonderful in a million different ways,
And they merit loving compliments and accolades of praise.
For the only reason DAD aspires to fortune and success is
to make the family proud of him and to bring them happiness.
And like OUR HEAVENLY FATHER, he's a guardian and a guide:
Someone that we can count on to be always on our side.

Щиро вітаємо всіх батьків
нашої парафії з нагоди ДНЯ
БАТЬКА. Нехай Всевишній
благословить всіх наших
дорогих батьків кріпким
здоров'ям, щастям і всяким
добром на многі й благі літа!

**A cordial welcome to all
fathers and grandfathers on the
occasion of Father's Day!**

**May God bless you with good
health and happiness for many years!**

Happy Father's Day!

День Батька

Ukraine is on Pilgrimage—Thank you for Walking With Us

To Catholic Bishops Conferences, priests, religious and the faithful of the Church; To All Christians and People that stand in solidarity with Ukraine

Dear Brothers and Sisters!

Over the last six months many of you have closely followed events in Ukraine—dramatic, sometimes tragic, but ultimately life-giving. After a century of genocidal experiences and decades of rampant corruption and crushing social injustice, the Ukrainian nation has been on an extended, inspired pilgrimage from fear and fraud to dignity and integrity.

Through frigid winter months millions of people filled the squares of our cities and also your cities to manifest their desire for a better life. All Ukrainian Churches and religious organizations stood together. For months with one voice they insisted that the president and government respect their citizens, that violence is not the answer, that dividing society and the country is immoral, and that dialogue is the only legitimate manner to resolve the political and social crisis. We are grateful for this prophetic unity to all our brothers and sisters in faith, to Roman Catholics, Protestants, Jews, Muslims and especially the Orthodox Churches of Ukraine.

The Churches were united, as were people of different ethnic backgrounds, languages, and social classes. In the last weeks the unprecedented consolidation and overwhelming consensus in the country was expressed in the presidential elections. Petro Poroshenko was elected in one round with 55% of the vote in a field of 21 candidates. 85% voted for candidates that support a democratic and European option for the country. Today the overwhelming majority of citizens—Ukrainians, Russians, Belarusians, Poles, Jews, Tatars, Armenians, Georgians, and other ethnic and religious groups—stand united against the terrorist violence and overt military aggression from abroad. They are horrified by the annexation of Crimea and the conflict in the eastern part of the country inspired and supported by foreign Special Forces. This is the biggest challenge facing Ukraine and Europe today.

During these months of pilgrimage from fear to dignity your moral and spiritual solidarity has been crucial for citizens of Ukraine and for our Churches. On behalf of our clergy and the faithful we would like to thank you for your abiding prayer and various works of charity that you conducted. We have addressed a singular expression of gratitude to His Holiness Pope Francis who has supported with prayer and exhortation the yearning for peace and justice in Ukraine.

What happened in Ukraine has been truly miraculous. Transforming grace poured down upon the people of our country. The pure sacrifice of new Ukrainian martyrs, the fervent supplication of millions of people on the Maidans, and the prayer of the global community of Catholics, Christians of different denominations, and people of good will of different faiths brought forth an abundance of transfiguring blessings. Today, Ukraine is a different country; it is a renewed society. Your contribution to this rebirth is vital.

We are profoundly grateful for your efforts to inform your communities about the true nature of developments in our country, countering the disinformation directed against Ukraine and its Churches, the Ukrainian Greek Catholic Church in particular. In recent days we see how this campaign has been escalated by certain political and spiritual authorities at the highest level that share an aggressive tone and modality of dissimulation.

The dignity that Ukrainians yearn for is not first and foremost material. They seek a God-given dignity, a respect for their very being. Their right for self-determination, territorial integrity, cultural and especially ecclesial tradition has been violated brutally in the past and is demeaned today.

In the face of systemic corruption, governmental repression, and intolerable social conditions millions of Ukrainians demonstrated peacefully, forging an ever-stronger inter-ethnic, inter-confessional, and inter-cultural solidarity. Ukraine is home to scores of peoples and religions that stand together. It is a revived civil society defending its country and the common good. Together Ukrainian citizens are saying no to tyranny, lawlessness, violence and irresponsibility—personal and social, internal and external, domestic and international.

We ask you to continue your prayer for peace in Ukraine, for peace and reconciliation built on justice. As Christians we believe that every person that demonstrates solidarity with the suffering will be blessed and will receive abundant graces from God.

The Lord bestows dignity by blessing; your benediction of Ukraine is transformative. Your blessings help transfigure a people on pilgrimage.
