СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКИ!
 Парафія святого Йосифа сердечно вітає всіх
 гостей, які прибули до нас на Богослуження.
 Нехай Бог вас благословить!

Glory be to Jesus Christ! Glory be Forever!
 The parish of St. Joseph extends a warm welcome
 to all our guests. We are pleased that you have
 come to pray with us. May the Lord bless you!

Dear Beloved Parishioners and Guests,

As June comes to a close and the school year wraps up, we are obviously focused on the passing of Grades and of Graduations. A year has been completed and possibly, the students move on to the next NB chapter of their lives...be it a higher grade or off to University or work! We truly and sincerely wish all these happy students much success and congratulations for all their hard-working efforts! God bless you all!

The educational system has changed over the years –be it for the student or the teacher who strives to impart a wholesome, positive and challenging formation – no, the word should be **“education”** ---- from Latin: *“e-ducare”* - *‘to bring out the best’*.

A poem, attributed to a 15 year old Wpg student who received an **“A”** for its insights and a sad reflection upon our society, is worth sharing with you:

The **Lord's Prayer** is not allowed in most public schools anymore:

NEW School Prayer:

Now I sit me down in school
 Where praying is against the rule
 For this great nation under God
 Finds mention of Him very odd.

We're allowed to cuss and dress like freaks,
 And pierce our noses, tongues and cheeks...
 They've outlawed guns, but FIRST the Bible,
 To quote the Good Book makes me liable.

If scripture now the class recites,
 It violates the Bill of Rights.
 And anytime my head I bow
 Becomes a Federal matter now.

We can elect a pregnant Senior Queen
 And the *'unwed daddy'*, our Senior King.
 It's *'inappropriate'* to teach right from wrong,
 We're taught that such *'judgments'* do not belong.

Our hair can be purple, orange or green,
 That's no offense; it's a freedom scene..
 The law is specific, the law is precise.
 Prayers spoken aloud are a serious vice.

We can get our condoms and birth controls,
 Study witchcraft, vampires and totem poles...
 But the Ten Commandments are not allowed,
 No word of God must reach this crowd.

For praying in a public hall
 Might offend someone with no faith at all.
 In silence along we must meditate
 God's name is prohibited by the Province.

It's scary here I must confess,
 When chaos reigns the school's a mess.
 So, Lord, this silent plea I make:
 Should I be shot; My soul please take! Amen

*Wishing all of you a wonderful relaxing, rejuvenating, and delightful
 summer. Take advantage of our beautiful days but do stop & thank Our Lord!*

How to be a Church member without being Religious

1. Put your name on the membership roll, but let everyone know that you don't want to get involved.
2. Be sure to take off for the lake weekends, so you can worship God in the great outdoors.
3. Do whatever you want to do. After all, you can always ask God for forgiveness later.
4. Squeal loudly when someone get on the subject of money. Jesus never asked anyone for a donation.
5. Criticize the leaders of your congregation. They probably need someone to keep them humble.
6. Don't assume responsibilities in the life of the church. It may cause you to protest about spending too much time away from your family.
7. Chauffeur your children to and from Sunday School. Let God know that you are trying your best to be a Christian parent by handing over all their Christian formation to others.
8. Never bring your faith into your home or business life. People may label you a religious fanatic.
9. Daydream during your pastor's sermons. You've heard all that stuff before.
10. Keep a Bible on display in your living room. It looks nice when company comes.
11. Pray if you ever get into a really big jam. This lets God know you're still around.
12. Spend Sunday mornings at home, so you won't have to associate with all those hypocrites who go to church.
