 The parish of St. Joseph extends a warm welcome to all our guests. We are pleased that you have come to pray with us. May the Lord bless you!

**Dear Beloved Parishioners and Guests,**

Ukrainians are still in shock to see me dressed with my Ukie shirt at the Winnipeg **Goldeyes** baseball game. Everyone knows I'm not an avid sports fan, but then it was **Ukrainian Christmas in July** at the stadium. Actually it was wonderful to visit at least 200 parishioners, many dressed for the occasion! \$4 from every ticket was slated for medical supplies for Ukraine! Thank you to all of you!

And Congrats to **Hoosli Choir** for the powerful USA & Cdn National Anthems!

Oh yes, I promised to have **'little gems'** for the summer bulletin. Here is one:

*"One day a farmer's donkey fell down into a well. The animal cried piteously for hours as the farmer tried to figure out what to do. Finally, he decided the animal was old and the well needed to be covered up anyway; it just wasn't worth it to retrieve the donkey. He invited all his neighbors to come over and help him.. They all grabbed a shovel and began to shovel dirt into the well.*

*At first, the donkey realized what was happening and cried horribly. Then, to everyone's amazement he quieted down. A few shovel loads later, the farmer finally looked down the well. He was astonished at what he saw. With each shovel of dirt that hit his back, the donkey was doing something amazing. He would shake it off and take a step up. As the farmer's neighbors continued to shovel dirt on top of the animal, he would shake it off and take a step up. Pretty soon, everyone was amazed as the donkey stepped up over the edge of the well and happily trotted off!"*

**Life** is going to shovel dirt on you, all kinds of dirt. The trick to getting out of the well is to shake it off and take a step up. Each of our troubles is a stepping stone! We can get out of the deepest wells just by not stopping, never giving up! **Shake it off and take a step up!**

Remember the **Simple rules to be Happy:**

*Free your heart from hatred – Forgive.*

*Free your mind from worries - Most never happen.*

*Live simply and appreciate what you have.*

*Give more. Expect less.*

The summer is progressing – some good, some bad! Hopefully by the time you read this the flooding in SK & MB has subsided without colossal damage Let us pray for all those suffering as a result & give thanks for all the volunteers!

May the Good Lord grant you a wonderful & joyful summer!

On Sunday, July 20<sup>th</sup>, Blessed Vasyi will be proclaimed by Patriarch Sviatoslav as the Patron of Prison Chaplains for the Ukrainian Greek Catholic Church and this will happen in Zarvanytsia, Ukraine, during their big pilgrimage.

This is a great honour for our Martyr and the Parishes of Winnipeg. He offered priestly pastoral care to prisoners even while he himself was unjustly imprisoned for his Faith. His love for prison ministry will serve as an example and inspiration to chaplains everywhere.

Pray for Father John Sianchuk, Mary Jane Kalenchuk and Sviatoslav Karnaoukh (volunteer) who will be participating in this historical event.

**Blessed Bishop and Martyr Vasyi, you proclaimed the Word of God to prisoners, intercede for us sinners.**

## FORTY-FIVE DAYS TO GO TO CTO

Only 45 days remain before project CTO (meaning *One Hundred*) happens across Canada with a "wave" of plaque unveilings from coast to coast, at **11 a.m.** (local time), on **Friday, 22 August 2014**. Starting in Amherst, Nova Scotia, and ending in Nanaimo, British Columbia, two of the **24** sites where Ukrainians and other Europeans were imprisoned as "*enemy aliens*" during Canada's first national internment operations of 1914-1920, this is the first-ever time in Canadian history that **100 plaques** have been unveiled on the same date and time across the country.

Commenting, UCCLA's chairman, Roman Zakaluzny, said: "*To hallow the memory of all of the internees of the Great War period in Canada we came up with the idea of unveiling 100 plaques across Canada, literally from coast to coast, on the 100th anniversary of the passage of the War Measures Act, which provided the legal framework for the needless internment of thousands of innocent men, women, and children, and the registration of many tens of thousands more as "enemy aliens," not because of any wrong they had done but only because of who they were, where they had come from. This national commemorative exercise should bring to mind not only what happened during the First World War but also how the very same War Measures Act would be used against our fellow Japanese, German, and Italian Canadians in the Second World, and in Quebec in 1970. We should all be reminded of the need to remain ever-vigilant in defence of our civil liberties and human rights, esp., in periods of domestic and international crisis.*"

The CTO project, organized by the Ukrainian Cdn Civil Liberties Foundation (*Project CTO Lead - Prof. Lubomyr Luciuk*) has been supported by a generous grant from the Endowment Council of the Cdn 1st World War Internment Recognition Fund.

For a complete list of all CTO recipient sites and for more information on Project CTO please go to [www.uccla.ca](http://www.uccla.ca) (under CTO) - additional info is also found in the 'Sources and Issues' section website.

**22 Plaques will be unveiled in Manitoba. Our St. Joseph's Parish was the first in MB to accept this honor & we will be constantly encouraging parishioners to be present on Aug. 22<sup>nd</sup> at 11:00 am.**
