СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКІ!

Glory be to Jesus Christ! Glory be Forever!

Dear Parishioners and Guests,

As the summer too quickly comes to an end with all its joys and sorrows, successes and failures, we sadly wave a fond "good-bye" to the leisure and pleasure of these months. Ah! But now we begin afresh in the church year and of course, in the school year...

A warm and tender piece of prose for your thoughtful reflection... Dear Lord...

From the Pastor's Desk

MY YOUNG SON starts to school today... It's going to be sort of strange and new to him for awhile, and I wish you would sort of treat him gently!

You see, up to now he's been king of the roost. He's been boss of the backyard... (His mother has always been near to soothe his wounds and repair his feelings.)

But now things are going to be different.

This morning he's going to walk down the front steps, wave his hand and start out on the great adventure... (It is an adventure that might take him across oceans...it's an adventure that will probably include wars and tragedy and sorrow... To live his life in the world he will require much faith and love and courage.) So Lord, I wish you would sort of look after him, take him by the hand and teach him things he will have to know. But do it gently, if you can. He will have to learn, I know, that all men are not just, that all men are

not true. But teach him also that for every scoundrel, there is a hero... that for every crooked politician, there is a great and dedicated leader... Teach him that for every enemy, there is a friend. Steer him away from envy, (if you can)... and teach him the secret of quiet laughter.

In school, Lord, teach him it is far more honorable to fail than to cheat... Teach him to have faith in his own ideas, even if everyone says they are wrong... Teach him to be gentle with gentle people, and tough with tough people. Try to give my son the strength not to follow the crowd when everyone is getting on the bandwagon... Teach him there is no shame in tears. Teach him there can be glory in failure and despair in success. Treat him gently, Lord, if you can, but don't coddle him, because only the test of fire makes fine steel!

Let him have the courage to be impatient; let him have the patience to be brave. Let him be no man's man... Teach him always to have faith in himself. Because then he will always have faith in mankind.

THIS IS QUITE AN ORDER, LORD, but see what you can do. (He's such a nice little fellow) he's my son!

Please be sure to always take the bulletin home – often there are precious gems for you to read but truly we try to list all the upcoming meetings of the various parish organizations and events that are taking place in the near future.

We are more than pleased to welcome you home to St. Joseph's and do encourage you to become actively involved again! God bless!!!

Fr. B.

# Our Liturgical Year

Our Eastern Rite is a priceless heritage and treasure of the Eastern Church and our Ukrainian people. It is noted for its venerable antiquity, its profound content, its mysticism, symbolism, and magnificent liturgical ceremonies. Developed by the greatest and most gifted of the faithful of the Eastern Church of different ages, countries and peoples, it has been sanctified by the prayers, tears, and sacrifices of the saints, as well as by the blood of martyrs. Our Rite, a faithful reflection of our holy faith, beautifully harmonizes with the soul, mentality and character of our people.

An integral part of our Rite and its most beautiful expression is the Liturgical Year. It resembles a grand panorama in which we find painted in radiant and vivid colors the whole history of man's redemption. During the Liturgical Year we have the opportunity to meditate upon and relive the glorious mysteries and events in the life of Jesus Christ and his most Holy Mother. It places before us, for our admiration and imitation, the heroic deeds and virtues of an immense throng of saints, martyrs and holy people. The Liturgical Year calls us to experience days of spiritual joy, jubilation and triumph as well as days of fasting, penance and holy sorrow for our sins.

For many long centuries our Rite has preserved our Church and people in our native land. It can do the same for us and our children now in the various settlements throughout the world. Obviously, therefore, we should not only know our Rite, cherish it and live according to its precepts, but also we should bring up our children in such a manner that they too will know and cherish it.

The Fathers of the First Ecumenical Council in Nicea in the year 325 adopted the first of September as the opening of the New Church Year and this day has been observed in the Eastern Church to the present time.
