 Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

**Glory be to Jesus Christ! Glory be Forever!**  
 The parish of St. Joseph extends a warm welcome to all our guests. We are pleased that you have come to pray with us. May the Lord bless you!

*Dear Beloved Parishioners and Guests,*

WELCOME to our Annual Parish Praznyk - a chance for us to pray together, to give thanks and praise our Lord Jesus as St. Joseph's family. We also welcome the Macenko Choir who will enhance our worship with beautiful choral music! And of course, we would be disappointed if you didn't partake in our parish barbeque and warm hospitality after our Divine Liturgy! Thank you to each and all!

I am writing this before the Ukrainian Independence Day celebration at West Kildonan Park. Last year truly was a wonderful experience and I only hope and pray that many of you, dressed, of course, in Ukrainian costume did participate. Dance groups and Choirs are thus kicking off the new season by participating and it's delightful to see all this God-given talent – but obviously, it takes months and years to polish it & display it!

Oh yes, we are definitely back into the parish schedule with various meetings, be it, the UCWLC, or the Knights or the Senior's Club.... and that is good! We are also most pleased that parents have registered their children (*have you yet?*) in our Catechism program. On the 28<sup>th</sup> we also commence our Adult Religious Program – an exciting new series on our Catholic faith – which will take place in the monastery basement 10:00 – 11:00 am each Sunday and thus we won't interfere with our special Children's program in the hall. Please try to schedule your Sunday morning so that we all may gain much!

Needless to say, I am pleased that many of you are happy with the new carpet that has been installed throughout the church – as one parishioner shared: “*There is such a warm and tranquil atmosphere in the church, so conducive to pray!*” And that is good!

I am also very happy that the four Hearing-Impaired receivers have such a positive impact. More than one parishioner expressed much gratitude and appreciation that it is now possible for them to clearly hear the Liturgy and the Sermon. We have ordered 4 more transmitters and we encourage you to come to the sacristy and pick one up. Some parishioners have requested to purchase one for their personal use and that is good too! We happily will place your name on your personal receiver and all is good!

Oh yes, we definitely wish to continue our successful Perogy project – for truly it is a wonderful community building event! To watch some 80 parishioners and guests enjoying themselves as they happily pinch and create dozens of perogies, share many stories and adventures and then also partake of a special meal. We want to convince all the parishioners to come and help for this is a parish project. This may mean only 4 or so hours of your voluntary time.... but what a difference this makes! We Need You to ensure that this Parish Perogy Project continues... please mark **Oct. 7 & 8** in your calendar...

May the good Lord bless you and grant you a special year - that depends on us cooperating with God's generous graces...

Dear Faithful of the Ukrainian Catholic Church,  
**Glory to Jesus Christ! Слава Ісусу Христу!**

**On Sunday November 2<sup>nd</sup> 2014 a very important event will take place that will help nurture future leaders in our community.**

As members of the Ukrainian Catholic Church we are privileged to have a place in Manitoba that serves, educates and instils the values of the good news of the Gospel and promotes our cultural traditions to children and families. Thanks to years of dedication and the leadership of the Sisters Servants of Mary Immaculate we have **Immaculate Heart of Mary School**. A place we can proudly call our own. Many of the former students are now leaders in our community and church. We truly have been blessed.

It is important for us as a faith filled community to ensure that Immaculate Heart of Mary School will always be there providing the very best **Ukrainian Catholic education** possible. Immaculate Heart of Mary School is creating a new campus that will continue to be a school but will also provide opportunities to our Church to be a gathering center to help build an even stronger Ukrainian Catholic community.

To bring us a step closer to turning the New Immaculate Heart of Mary School Campus dream into a reality the **Lubov SSMI Foundation** is presenting

### *Journey Around the World and Deep into the Faith.....*

Fr. Robert Barron, a renowned author and theologian, created the ground breaking **Catholicism adult study program** as a presentation of what Catholics believe and why, so all adults can come to a deeper understanding and appreciation of the Catholic Faith. These compelling episodes were filmed in 50 locations throughout 15 countries. Not a video lecture, Church history or scripture study, this engaging and interesting program uses the art, architecture, literature, music and all the treasures of the Catholic tradition to illuminate the timeless teachings of the Church. The Catholicism DVD's reveal these truths in a visually-breath taking and compelling way, with original, high-definition cinematography.

### **Welcome to Out Reach Sunday**

**Welcome** back to all those who spent the summer away from St. Joseph's Parish. We are grateful for the many blessing we have shared as a parish family, The Welcome Home and extended community. And, as a parish family, we are ready and enthusiastic to begin a new Liturgical year. Your generosity and support in the past has fed and provided moral support to so many, including the Out Reach members. Thank you to those who provided for the food bin during the summer months; the cupboards are now well stocked.

October is the month to give thanks for all the blessings God provides us with. **Thanksgiving hampers** will be prepared and delivered on October 7th. If you know of anyone in need, please call Iris at 339-2325 by **September 30**.

Please also remember The Welcome Home, an extension of St. Joseph's Parish. With the help of St. Joseph's parishioners they are able to reach out to the neighbouring community, through prayer and sharing Thursday evening family suppers, and providing friendship, love and support to those who come. This year we are hopeful and look forward to seeing new faces join in preparing and serving one of these meals. The Thursday schedule of volunteers is being prepared; if you are interest, please call Iris for more information.

*"We are called to do His work, in loving our neighbour as ourselves."  
May we not too quickly dismiss the Face of Christ in the broken-hearted*
