СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКИ!
 Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

Glory be to Jesus Christ! Glory be Forever!
 The parish of St. Joseph extends a warm welcome to all our guests. We are pleased that you have come to pray with us. May the Lord bless you!

From the Pastor's Desk

Dear Beloved Parishioners and Guests,
 As I mentioned in church last Sunday, we Redemptorists are expected to make a silent 4 day Retreat twice a year for spiritual renewal and rejuvenation. As I compose this, I am tucked away into our log cabin at Clear Lake with absolute serenity and enjoyment. No, I didn't take my kayak or bike – it was 9C in the cottage when I arrived – ah! But the fireplace has warmed up my body and soul!
 And yes, I have time to pray, to meditate and to read all kinds of goodies that you just know I want to share – like the following:

ARE YOU A REASON, A SEASON OR A LIFETIME?

People come into your life for a reason, a season or a lifetime. When you figure out which one it is, you will know what to do for each person.
When someone is in your life for a REASON,... It is usually to meet a need you have expressed. They have come to assist you through a difficulty, to provide you with guidance and support, to aid you physically, emotionally, or spiritually. They may seem like a 'godsend', and they are! They are there for the reason you need them.
Then, without any wrongdoing on your part, or at an inconvenient time, this person will say or do something to bring the relationship to an end. Sometimes they die. Sometimes they walk away. Sometimes they act up and force you to take a stand. What we must realize is that your need has been met, your desire fulfilled, their work is done. The prayer you sent up has been answered. And now it is time to move on...

Then people come into your life for a SEASON. Because your turn has come to share, grow, or learn. They bring you an experience of peace, or make you laugh. They may teach you something you have never done. They usually give you an unbelievable amount of joy. Believe it! It is real! But only for a season...

LIFETIME relationships teach you lifetime lessons: things you must build upon in order to have a solid emotional foundation. Your job is to accept the lesson, love the person, and put what you have learned to use in all other relationships and areas of your life. It is said that love is blind, but friendship is clairvoyant.

Thank you for being a part of my life. Stop here and just SMILE if you don't want to do this last part:
 Work like you don't need the money.
 Love like you've never been hurt
 And dance like no one is watching!

We pray that **JESUS** will be for you – a Reason, a Season and a Lifetime!!!
 Wishing you a wonderful, peaceful, loveful and eventful October.

ATTITUDE

The longer I live the more I realize the impact of attitude on our lives. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than success, than what other people think or say or do.

It is more important than appearance, giftedness or skill. It will make or break a company... a church... a home...

The remarkable thing is we have a choice every day. We cannot change the past. We cannot change the inevitable. The only thing we can do is to play on the one string we have, and that is our attitude.

I am convinced that life is 10% what happens to us and 90% how we react to it. We are in charge of our attitudes.

НАСТАВЛЕННЯ

Чим довше я жию тим більше я бачу як дуже наставлення впливає на людини життя. Наставлення є важніше за факти. Воно є важніше за минуле, за освіту, за гроші, за обставини, за невдачі, за успіхи та важніше за то, що другі люди думають, кажуть чи роблять!

Наставлення є важніше за зовнішній вигляд, за обдарування і за спритність. Воно може розбити або збудувати підприємство... церкву... дім...

Чудове є то, що ми можемо собі вибрати яке ми хочемо наставлення мати. Ми не можемо змінити минулого. Одиноке над чим ми маємо контролю то є над наставленням!

Життя складається з 10% того, що мені стається, а 90% з того як я на це реауюю. І так є зі всіма людьми. Наставлення є під нашим власним зарядом!!!

We welcome to The Welcome Home, three new full-time young adult volunteers !

A unique feature of the Welcome Home is that the Redemptorists invite lay people to live with them in community for periods of time to experience their life and ministry.

Caleb Sterzer – Caleb is 22 years old. He comes from Petersfield, Manitoba. He has a twin brother, Levi. He worked last year at the Catholic School of Evangelization in St. Malo, MB. He came to The Welcome Home to serve and to explore a vocation of living in community as a religious priest or brother.

Roman Kuzytzky - Roman is 30 years old. He comes from Sambir, Ukraine. He is the youngest of 6 children in his family. He has 4 brothers and 1 sister. He studied theology and psychology of marriage and family for 3 years in Austria. He also worked for 1 1/2 years with L'Arche in Ukraine (L'Arche is an international network of communities of people with mental and physical disabilities and their assistants. It was founded by a Canadian, Jean Vanier.) Roman came to The Welcome Home to engage in volunteer experience and to serve where there is need.

Olesia Panas – Olesia is 23 years old. She comes from L'viv, Ukraine. Her sister, Nadia, was at The Welcome Home for the last two years. Olesia studied design and surveying at university. She volunteered with the Redemptorists in orphanages in Ukraine and attended our parish of St. Josaphat in L'viv. She came to The Welcome Home because she heard a lot about it from her sister. She wants to work with children and adults at The Welcome Home and in other organizations who help the poor here in Winnipeg.

Journey Around the World and Deep into the Faith.....

Fr. Robert Barron, a renowned author and theologian, created the ground breaking **Catholicism adult study program** as a presentation of what Catholics believe and why, so all adults can come to a deeper understanding and appreciation of the Catholic Faith. These compelling episodes were filmed in 50 locations throughout 15 countries. Not a video lecture, Church history or scripture study, this engaging and interesting program uses the art, architecture, literature, music and all the treasures of the Catholic tradition to illuminate the timeless teachings of the Church. The Catholicism DVD's reveal these truths in a visually-breath taking and compelling way, with original, high-definition cinematography.
