**СЛАВА ІСУСУ ХРИСТУ! СЛАВА НА ВІКИ!**

Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

**Glory be to Jesus Christ! Glory be Forever!**

The parish of St. Joseph extends a warm welcome to all our guests. We are pleased that you have come to pray with us. May the Lord bless you!

Dear Parishioners and Guests!

I marvel at the little baby that brings us such great joy! Soon the tiny one will utter it's first words and begin to walk and to play. Then before we know it, this "powder-puff", now a child, will be going to school and will be showing everyone just how smart he/she is. And before we blink an eye, he/she will be a teenager vying for independence and preparing for life's adventure as an adult. Life never stands still.

God has provided meticulously for His creation by giving all living things including plants, animals, and human beings what is necessary for their existence and development. **He has endowed every living being with an incredible power, an inherent force to grow.**

It's fascinating how deeply rooted is this blind urgency to grow, which is so well illustrated by this true story: After buying a new home, the owner decided to get rid of a bamboo plant in his driveway. Determined to eliminate this obstacle, he cut down the plant and chopped deep into the earth to destroy as much of the roots as he could. Then he poured bluestone and a plant poison on what was left. Finally, he filled the hole where the plant had been, with gravel, packed down that area, and paved it over with cement.

Two years later, the cement heaved as the bamboo plant began to surface through the pavement. It's built-in power to grow could not be stymied.

Life pushes outward. We see it in teen-age restlessness, in our greed for new experiences, in escapes into fantasy, alcohol, and drugs. We are like the bamboo plant blindly pushing upward; the baby unconsciously crying for milk.

Where is all this heading to? Why do bamboo plants push inadvertently through pavements? Why do the hormones of our body and the agitation of the soul give us so little peace? Bound by space and time, all living things are slowly but surely being moulded and shaped into what God created them to be.

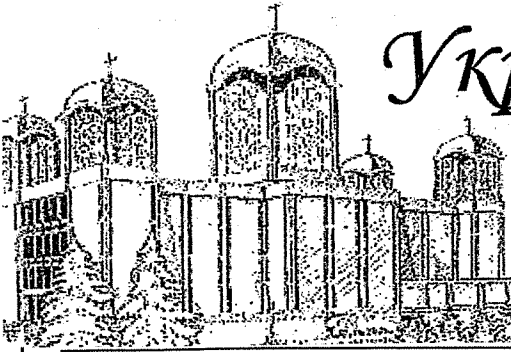

**Longing and yearning are the Spirit of God resonating and praying through us.** This is what the Bible is talking about when it tells us that *when we do not know how to pray, the spirit of God prays through us with groans too deep for words.* (Romans 8:26). At the heart of it all, this longing is for the *fruits of the spirit:* for *charity, joy, peace, patience, kindness, gentleness, faithfulness, and self-control.* (Galatians 5:22)

As we continue to prepare ourselves for Christmas, let us reflect on Jesus, who was fully human and divine. Even Jesus grew *"in wisdom, in stature, and in favour with God and with people."* (Luke 2:51) And so are we called to grow to be more and more like Jesus - to be animated by the Spirit and not solely by worldly distractions. We have been set on a heavenly course. May we use the ways and the means to get there - the Holy Spirit and His fruits.

*Fr. Frank*

**WEEK 5: ST. PHILIP'S FAST ~ ANCESTORS OF THE MESSIAH**

**What can I do ?** (by Sisters Bonnie Komarnicki and Pat Lacey, SSMI) (condensed)

Jesus' Holy Ancestors include all of his biological and spiritual ancestors from the Old Testament. They cooperated in, prepared for, and helped enable his Nativity because they answered the Call of God. Be mindful of the fact that God calls us too to go and witness to His Love.

Reflect on the following readings: on the Birth of Moses (Exodus 1: 8-22 and 2:1-10) and the Call of Moses (Exodus 3:1-10). Then, think about the following points:

- God chooses us even before we are born.
- God gives each of us a Mission to help Him save and love people.
- Finally, consider ways in which God might be calling you to His do His work.
- Share with your family your thoughts about God's Call and Mission.
