Парафія святого Йосифа сердечно вітає всіх гостей, які прибули до нас на Богослуження. Нехай Бог вас благословить!

Dear Beloved parishioners and guests,

As you read in last Sunday's bulletin, I am in Toronto to preach a Parish Mission at Holy Eucharist parish where I was pastor from 1990-1999. Yes, the parish has diminished in size, but many of the parishioners came out to greet their former pastor – and believe it or not, they still remember me!

Truly it is good to come home to Toronto. I loved this parish and all the challenges that had to be faced, God willing, to revive it and I must confess I do miss Toronto, well, not quite the traffic jams which are consistent. Holy Eucharist Church was also designed by Radislav Zuk (*who designed St. Joseph's*). This church won the architectural first place award in the British Architectural Review and truly it deserved it – except of course, it was full of orange commercial glass like St. Joe's. Needless to say, we had replaced all this with beautiful stain glass by Sviatoslav Makarenko that enhanced the beauty of the church a 1000-fold. It's beautiful! Also the painted icons were painted by Myron Levitsky in his unique cubistic art style that matches the church perfectly. Yes, Holy Eucharist is an architectural gem in our Ukrainian church and I love praying and preaching here!

Of course, this goes without saying – that I miss St. Joseph's and all you wonderful parishioners and I will be back on March 6<sup>th</sup>. Oh, you didn't notice that I was gone! Shucks! You will see me in church and at all the Fish Fry's to greet you all!

As you read in the bulletin, a very special little lady +Mary was called into the Kingdom of God at the age of ninety-nine and a half! And that is Wally Lukie's mother and Fr. Ray's grandmother. And I can proudly say that she was my Godmother who enjoyed saying to me in Ukr. "I remember 73 years ago holding you in my arms for your holy Baptism!" What a privilege to celebrate Holy Anointing for her and to daily visit and pray for her just before I left Winnipeg – she had a first-class ticket to heaven!

And I thought I would escape the cold of Wpg when I agreed to preach my Missions in Toronto area! Ha! It is 10 degrees colder here... yesterday we broke the cold record with -31 wind chill since 1870! I am however happy that many parishioners have braved the bitter cold and have participated in this Lenten Mission.

Please do take advantage of all our special Lenten services at St. Joseph's -the morning Liturgies, the Pre-Sanctified Liturgy, the Stations (*in Eng. & Ukr.*), the Sorokousty (*Requiem service*), etc. This is a wonderful preparation for the glorious Feast of the Resurrection.

May I, from a distance, wish you a happy Lent and ask the good Lord to bless each and every one of you! May I say 'I miss you'?
