# Is Christmas a Holiday or a Holy Day?

The answer may depend on how we spend the next 40 days. Today, our Ukrainian Catholic Church begins the time known as

## Рyлyпiвкa Пилипiвкa November 15 - December 24

Its name is derived from the fact that it begins the day after the Feast of St. Philip (Nov. 14). These forty days before Christmas have also been called, Philip's Fast, Pre-Christmas Fast, Nativity Fast, etc. Sometimes the term, Advent, is used. Generally speaking these days are considered a time of preparation for the feast of the Nativity of Our Lord, more commonly known as Christmas.

However, a closer look reveals some differences between Eastern and Western Churches.

In Eastern Churches, Pylypivka begins 40 days before Christmas on November 15. In Western Churches, Advent, begins on the fourth Sunday before Christmas. In Eastern Churches the focus is on the Incarnation of Our Lord. In Western Churches the focus is on both the First and Second Coming of Christ. Advent marks the beginning of the Church/Liturgical Year in Western Churches, while in Eastern Churches the beginning of the Church/Liturgical Year is September 1.

The time of Pylypivka is "lenten" in nature. However, it does not involve the same liturgical observances as Great Lent. Our observance of Pylypivka is more personal and home centered. The following are some suggestions of what do during the time of Pylypivka:

- Spend at least 15 minutes in the morning and evening in prayer each day.
- Pray the Jesus Prayer, "Lord Jesus Christ, Son of God, have mercy on me a sinner."
- Display an icon of the Nativity in the prayer corner of your house or room and spend 10 minutes each day meditating on the saving mysteries surrounding the story of Christ's Birth.
- Receive the Mystery of Reconciliation (Confession) at least once during Pylypivka.
- Read Scripture, especially the Nativity accounts in Gospels of Luke and Matthew.
- Fasting from certain types of food and forms of entertainment. Remembering fasting is not just "giving up" certain items. It is decreasing our dependence on things and increasing our dependence on God.
- Give your time, talent and/or treasure to a parish outreach or a special charity.
- Purchase gifts for homeless or needy children or families.
- Meditate on the Ten Commandments or the Beatitudes and identify one or two of these to put into practice each week.
- Examine your conscience each night, asking for forgiveness from God or others as needed.
- Find opportunities to share your faith with others.

Doing any of the above, will certainly help us to answer the question: Is Christmas a Holiday or a Holy Day?

## CATHOLICISM: The New Evangelization

**Know the Faith - Share the Faith ....** The Catholic Faith is not about myths, legends or symbols. It's about an encounter so overwhelming that you want to tell the whole world.

**It's an encounter with Jesus Christ ....** Throughout history, the call of Christ has sent people to the corners of the earth with a message of great joy — a message that has built civilizations, inspired cultures, and even sent some believers to prison and others to their graves.

**We have the same call. That's evangelization.** CATHOLICISM: The New Evangelization explores the Church's mission within the challenges of contemporary culture. Created by Bishop Robert Barron, this program focuses on the cultural obstacles the Church faces today and explores ways of overcoming them.

With the original CATHOLICISM series, Bishop Barron took us on a journey around the world and deep into the Faith. Now, experience this Faith in action in CATHOLICISM: The New Evangelization.

**UCLWC meeting and Christmas Luncheon** - Sunday, December 6th following 11 am Divine Liturgy. Please bring \$12 for the dinner, card for your Prayer Partner, non-perishable food item and \$10 which will be donated to Outreach / The Welcome Home.
