Simple Words of Wisdom from Saint Teresa of Calcutta

There is a terrible hunger for love. We all experience that in our lives – the pain, the loneliness. We must have the courage to recognize it. The poor you may have right in your own family. Find them. Love them. Before you speak, it is necessary for you to listen, for God speaks in the silence of the heart. Give yourself fully to God. He will use you to accomplish great things on the condition that you believe much more in His love than in your own weakness. Speak tenderly to them. Let there be kindness in your face, in your eyes, in your smile, in the warmth of your greeting. Always have a cheerful smile. Don't only give your care, but give your heart as well. I know God will not give me anything I can't handle. I just wish that He didn't trust me so much. If you're too busy to pray, you're too busy. Every time you smile at someone, it is an action of love, a gift to that person, a beautiful thing. I am a little pencil in the hand of a writing God who is sending a love letter to the world. I am not sure exactly what heaven will be like, but I don't know that when we die and it comes time for God to judge us, he will not ask, How many good things have you done in your life?, rather he will ask, How much love did you put into what you did? I do not pray for success, I ask for faithfulness.
