**Христос Раждається!  
Christ is Born!**

Dear Parishioners,

At the start of the new year, many of us may have made resolutions to improve our lives. Looking at the word *resolution*, it is easy to see the word *solution*. Every resolution, in order to be successful requires a *solution*. In other words, a plan must be followed. This course of action may not be easy, but good results do happen.

This past Thursday and Friday, the great feast day of Theophany (Epiphany) was celebrated and water was solemnly bless in memory of the Baptism of Christ in the Jordan. This Holy Day contains so many spiritual treasures. Among them is that Christ shows us by example the *solution* of how to live our lives. The Baptism by John the Baptist was one of "repentance". Jesus did not need to repent. However, by insisting that John baptize him, Jesus shows us the importance of reconciliation in our daily lives.

As we travel through the new year of 2017, may we always ask God in our prayers for the grace to strive for solutions. And many of these solutions just may call us to give and receive forgiveness.

Peace,  
Fr. Dmytro
