Dear Parishioners:

This Sunday is a very special Sunday for seven of our young parishioners. They will be receiving the Solemn Holy Communion. Receiving the Holy Eucharist is the completion of the Sacraments (Mysteries) of Initiation, that is Baptism, Chrismation and the Holy Eucharist. Through Baptism, those baptized say NO to a life of darkness, following evil ways and the influence of evil and say YES to be united to Jesus Christ and to follow His Way of Light, living a life of love and compassion. The main element in baptism is water which drowns evil, cleanses us from sin and clothes the person with the new life of the Holy Trinity. Then the person receives Chrismation. Through holy Chrism, consecrated by the Bishop, the person is anointed and received Jesus' precious gift of the Holy Spirit - the Spirit who animates our life allowing us to become Christ-like. Finally in receiving the Body and Blood of the Lord, the person is not only united intimately with our Lord but also with the whole Christian community. Therefore, we all rejoice today that these young Christians are fully integrated into the Body of Christ - the Church. This Gift they are invited to receive often throughout their whole life. "Whoever eats this bread and drinks this cup, has life everlasting." (Gospel of John).
Congratulations!

Last Sunday, we had a very beautiful Easter dinner for our parishioners. It truly was a chance to gather together for fellowship and come to meet each other, especially the new-comers to our parish of St. Joseph's. A Big Thank You goes out to all those who made this meal possible. It was truly a parish meal prepared by and served by parishioners. Parishioners, young and old, new-comers and long-time parishioners all chipped in and helped to make this meal a beautiful event in our parish. Our parish is changing by the influx of new Ukrainians. One of the highlights of the event was when a few of the new immigrants, spoke up and expressed how welcome they feel in our parish. They thanked us for our openness to them and for the help that some have received for our parish. Many of those, who came, are also participating in the English classes given by volunteers every Tuesday. Although this event was not meant to be a fundraiser, we did net \$500.00 for our parish and the boiler fund. Thank you for your support.

Several weeks ago, some of our Ukrainian young ladies made Paskas. They were bought up very quickly and I must say that they were delicious. They did this project as a fundraiser for medical supplies for wounded soldiers in Ukraine and raised \$800.00. Thank you for your support.

Next weekend, we will have our fundraiser with the A.R Cash concert. As of now it seems that Saturday evening is sold out. There are still a few tickets for Friday. Thank you all for the support. There are also envelopes in the pews through which you can make donations to our essential project of installing a new boiler to heat our church.

Prayer to Our Mother of Perpetual Help

O Mother of Perpetual Help, we come before your holy Icon seeking to follow Your Son. Mary, please gently guide us to enter more deeply into the mystery of Redemption. Help us as we contemplate the Incarnation, Passion, Death & Resurrection of Your Son, Jesus, Our Redeemer. Help us to receive and accept the Light of Christ present in your arms. Mary, we present our needs to you and ask that you place them in the hands of your Son. Most Holy Mother of God, Our Mother of Perpetual Help, save us. Amen
