Dear Parishioners,

I am always happy to see everyone that attends the Divine Liturgies and all other services that are celebrated in our church. Thank you to all of you for the joint prayers, for taking part in the parish life and for upholding the clergy.

I would like to share with you a few thoughts from this Sunday's epistle reading of St Paul. (1Cor,1-11) He says that by the grace of God he is what he is. He considers himself unworthy to be an Apostle because he persecuted Christians. However, the Lord Jesus had mercy on him, visited him and changed his life. When we look more closely at the disciples of Christ, the saints, and all those around us, we see that they were all weak. They were not 'superheroes', or 'supermen', they were ordinary people who had their flaws, weaknesses, passions. But how are the Apostles and saints of Christ different from us? In that they allowed the grace of God to work in them, and to work through them. What prevents us from trusting in God more and more, from allowing God to work through us more and more! We are the hands and hearts of God! Through us He acts! And as God worked through the apostles and saints He can work with his grace through each of us. I see that you allow God to work through you! Every good deed, every smile to your parishioner, to your neighbour, every breath of love for another person is a manifestation of God's care and love. Let us continue in this divine service for the needy and poor!

On the cover page of this week's bulletin, you will see a photo of The Patriarchal Cathedral of the Resurrection of Christ in Kyiv, because on August 18th we mark and celebrate the Consecration of this Cathedral, which is the main shrine of the UGCC.

"The Patriarchal Cathedral of the Resurrection of Christ is a continuation of the significant efforts of many generations of Ukrainians and one of the manifestations of the spiritual revival of the Ukrainian Greek Catholic Church, a visible sign of the unity and conciliarity of the UGCC. Construction of the main Greek Catholic shrine began on October 27, 2002. His Beatitude Lubomyr Husar, then Head of the UGCC, consecrated the cornerstone. This year marks thirteen years since the now Head of the UGCC, His Beatitude Sviatoslav, consecrated the Patriarchal Cathedral in Kyiv, which unites all faithful Ukrainians worldwide. This event took place on **August 17–18, 2013**, on the 1025th anniversary of the Baptism of Rus-Ukraine. More than 20,000 pilgrims and more than 700 priests joined the pilgrimage." This information was obtained from the website: <https://ugcc.ua/en/data/things-to-know-about-the-patriarchal-cathedral-of-the-ugcc-in-kyiv-560/> and you can read more about it.

May God bless you and your families on these summer days. Praying for all of you.

Help us as we contemplate the Incarnation, Passion, Death & Resurrection of Your Son, Jesus, Our Redeemer. Help us to receive and accept the Light of Christ present in your arms.
